

Hot Wash Retractable Hose Reel

14.12

Product Code: TWHR1215

These hose reels are specifically designed as the perfect solution for hot water washdown applications in food preparation areas. The white food grade hose is acceptable for food processing areas for hot or cold water washdown. The stain and chemical resistant engineered composite materials construction allows the reel to be easily washed and hygienically cleaned as and when required. The open top and bottom allows for air circulation and reduces the build up of dirt and grime.
