

Knee Operated Basin

6.9

Product Code: AB-KNEEHB-RT

Complete with temp valve

Product Code: AB-KNEEHB-R

without temp valve

A hygienic solution to hand washing in areas such as commercial kitchens, hospitals and food processing areas. Perfect when space is at a premium.

Features and Benefits:

- Shroud 1.2mm 304 grade stainless steel
- Basin 0.9mm 304 grade stainless steel
- 50mm splash back
- 40mm outlet
- Pre plumbed with or without temp valve
- Ease of installation due to a one piece wall bracket system
- All models are fitted with WELS approved plumbing hardware
- Knee valve operates up to 1000kpa and reduces the problem of rising water pressures.

“another great idea”
