Product Code:
M-FT-5

This flexible domestic grating solution is typically used in showers, bathrooms and balcony areas. It can be manufactured to any required length and width, making it a very flexible product. It is adaptable to a range of grating options that are available to the consumer, and the size and position of the outlet can be manufactured to the customer's requirements.

Features and Benefits:

- Manufactured to required length and width using a choice of either 304 or 316 grade stainless steel
- Size of outlet and position manufactured to the customer's requirements
- Typically used in showers, bathrooms and balcony areas
- It can be installed with the customer's choice of wedge wire or square bar grating
- Loading as required
